

# Utah Resource for Genetic and Epidemiologic Research (RGE)

## Customized Preliminary Data Request from the Utah Population Database (UPDB)

If you are not able to obtain the preliminary data that you need from the [UPDB-Limited Query tool](#), please use this form to request aggregate counts for the purpose of conducting preliminary activities, such as designing a study, preparing a grant application, or assessing the feasibility of a project. This form may be not be used to access any individual level or potentially identifying data.

Please submit the completed request to Jahn Barlow, RGE Director at [jahn.barlow@utah.edu](mailto:jahn.barlow@utah.edu).

For assistance with completing this form, please contact the UPDB Navigator, Jennifer West, at [jennifer.west@hci.utah.edu](mailto:jennifer.west@hci.utah.edu) or (801) 581-4567.

After approval, the requested data will be provided by UPDB staff in the Pedigree and Population Resource at Huntsman Cancer Institute.

---

**Requestor's Name**

**Requestor's Department**

**Requestor's Institution**

**Phone number**

**E-mail address**

**Date requested:**

**Date needed by:**

**Study or Project Title**

**Principal Investigator**

**PI's Department**

**PI's Institution**

**Purpose/ Objective**

**Background**

**Initial request:**

**[Please provide a table, if possible, that indicates how you would like your counts returned.]**

**Data sources requested for this query:**

Family Relationship Information

Utah Birth Certificates

Utah Fetal Death Records

Utah Death Certificates

UDOH Inpatient Discharge

UDOH Ambulatory Surgery Records

UDOH APCD Records

Utah Birth Defects Network (UBDN)

Utah Registry of Autism and Developmental Disabilities (URADD)

Utah Cancer Registry (UCR)

Utah Driver License Data

University of Utah Health Sciences Center Records  
(please note that this will require a separate request to the EDW team: [datascience@hsc.utah.edu](mailto:datascience@hsc.utah.edu))

**No identifying information is requested, and this aggregate information will be used on a preliminary basis only to determine if there are sufficient counts to move forward with this project.**

**Upon receiving preliminary data, I CERTIFY THE FOLLOWING:**

1. I will use these data for statistical analysis only.
2. I will limit the use of these data to providing information for proposals and project development preparatory to conducting research OR I will obtain approval from RGE and the relevant IRB(s) PRIOR to using these data for other purposes.
3. I will not publish or present any information gathered from the results of this query, including but not limited to abstracts, posters, conference presentations, or manuscripts, without RGE approval.
4. I will not make any attempt to identify or contact individual(s) represented in the results of this query.
5. I will not link the preliminary data with any other data that, after linkage, might allow identification of an individual represented in the data.
6. I will not disclose or use the identity of any individual(s) discovered inadvertently through this query.
7. I will IMMEDIATELY report any inadvertent or intentional disclosures of the identity of individuals or violations of this agreement of which I become aware, by myself or others, to the Director of the Utah Resource for Genetic and Epidemiologic Research (RGE) at the University of Utah ([rge@hsc.utah.edu](mailto:rge@hsc.utah.edu) or 801/581-6351).

**I understand that failure to adhere to the above stated agreement items may result in loss of access to the UPDB, and I may be subject to other regulations and laws that apply.**
