

Responsible/Principal Investigator's Statement of Assurances

The undersigned authority certifies that the information in this application is accurate and agrees to:

1. accept responsibility for the conduct of the project in accordance with [Policies and Procedures established by the Utah Resource for Genetic and Epidemiologic Research \(RGE\)](#) and the limits established by RGE and/or its authorized agents;
2. obtain approval from RGE prior to altering the project or the use of the data obtained through RGE approval;
3. obtain approval from RGE prior to sharing data obtained through RGE approval for this project with any other project or with individuals who are not listed as personnel on this project;
4. obtain approval from RGE prior to transferring data obtained through RGE approval for this project to other institutions and submit a copy of the governing Material or Data Transfer Agreement;
5. abide by RGE Data Security Assurances and the procedures for data security described in the application;
6. provide training for all project personnel about data security requirements and procedures;
7. maintain documentation of training and data use as required by RGE Policies and Procedures;
8. submit manuscripts for this project to RGE for review prior to publication;
9. cooperate with RGE in the continuing review and administrative oversight of this project.

Any exceptions to these standard assurances must be reviewed and approved by RGE. Please submit a detailed written description of the circumstances and reasons for requesting any exception(s).

As Responsible/Principal Investigator, I have read and agree to the Statement of Assurances above.
